# Serenity<sup>®</sup>

Whether we were fortunate enough to know them and share life for a few years or even a brief moment, nothing is so difficult as dealing with the loss of a child. There was not enough time to get to know them. There was not enough time to love them. To care for them. To see them grow into the people they would someday become.

It is our sincerest hope that with our Serenity casket vaults, we at Trigard can provide you with one last opportunity to lavish your little one with all of the love, care, security and honor possible. To celebrate their life and the joy that they brought to yours.
